## Pre-Nuptial Agreements

The wedding season is upon us, but before you tie the knot, consider whether or not a pre-nuptial or marriage agreement is right for you. Iven K.S. Tse discusses how such an agreement can protect your assets from division in the future and how assets not normally counted as family assets such as inheritances or a business could wind up being subject to division in this interview on VTV (now CTV) Breakfast Television.

“The information contained is not intended to be used as legal advice as each case bring a new set of circumstances that must be considered individually. Please contact Iven K.S. Tse for advice specific to your particular needs.”
